Joseph Hoover, aged 62, died of a heart attack at his home at Edray on Thursday morning, January 13, 1955. He was about his usual work when stricken. On Sunday his body was laid in the Doe Hill, Virginia cemetery, with his people. Service was from the Doe Hill Methodist Church by Rev. O. L. Lemasters.

The deceased was a son of the late Noah and Caroline Gay Hoover, of Thorn, Pendleton County. B. J. Hoover, of Elk, is the surviving brother. His four sisters are Mrs. Lee Harris, of Buck-Clinthannon; Mrs. Bertha Moyers, of Divis Moyers, Virginia; Mrs. Max Caro Croft and Miss Florence Hoover, of Hof Swope, Virginia.

Mr. Hoover is also survived by his wife, Mrs. Estelle Smith Hoover, and their little daughter, Josephine.

Mr. Hoover was a veteran of the First World War. He saw much service on the battlefields in Europe. He suffered from the

Dead in Snow Drift

James W. Robinson, aged 44 years, of Charleston, was found dead in his car on the road between Hillsboro and Denmar, on Friday morning, January 14, 1955. The cause of death was monoxide poisoning and exposure, as found by Dr. R. R. Pittman, County Health Officer. He had been dead several hours when found.

On Thursday night, Robinson, accompanied by Alex Brown, of Ronceverte, had attempted to go to Denmar, but got stuck in a snow drift. The road force dug him out. He returned to Hillsboro, but again attempted to drive to Denmar, and got stalled in a huge drift. Two other cars also were stalled in the same drift. Brown stayed in one of the other cars, but Robinson decided to sleep the night out in his own car with the engine running.

"I PREDICT"

Friend J. M. Pyne, now of Whittier, California, is a native son of the Greenbrier Valley — Monroe County. His active career was that of a soldier in the United States Army. Or, as we used to call it, Standing Army. His duties called him to many distant parts of the world — particularly the Pacific Ocean, and China, Japan, The Philippines. In mailing in his subscription for this years Times, he adds this interesting post script:

"I predict, that as the coils of the Chinese Dragon begin to tighten around Russia, the "Red" Russian people will be quite willing to co-exist with us. They will be anxious to have the help of the United States of America and the United Nations against a worse monster than Adolph Hitler. Can they not discern the signs of the times? We, the white race, are less than fifteen percent of the world's population. Unity of action alone can save us from the fury of the 'Reds.'"

It is the same old story, there here and everywhere. Those who report seeing and hearing panthers and observing sign are held in derision by the many who have their doubts.

How do I know about the panther situation in Missouri? Why Dr. John O. McNeel, of St Louis, most considerately keeps me up to date by mailing me the

HILLSBORO NEWS

An oyster supper was enjoyed by the members of the Hillsboro Ruritan Club at their meeting which was held in the Hillsboro High School, Tuesday, January, 11.

The supper was cooked by Mrs. James K. Rock and Mrs. Lloyd Payne, but the club members did their own serving.

John Hamrick, of Beard, won the Corn Show Contest, for having shown the most perfect ears of corn.

The Hillsboro Club voted to give a donation, along with the other clubs of the Lower West Virginia District, for a party to be given in the near future at the Andrew Rowan Home, Sweet Springs.

Boxes of candy were presented by the club members to Mrs. Richard Balzer, Mrs. Hubert Lewis, Mrs. J. K. Rock and Mrs. Lloyd Payne for preparing and serving the food for the annual oyster supper which was held in December.

The next meeting will be a joint meeting held with the Renick Ruritan Club at Renick High School. This will also be ladies night.

Symbol Of Evil

The mistletoe, once a weapon of death, later became to be considered as a magical medicine, is now a universal symbol of love and peace.

It was with a mistletoe arrow (according to Norse mythology) that Loki killed Balder, the sun god, after Balder's mother had obtained a promise from all living things, other than the mistletoe, that they would not harm him. Balder was restored to life and it was ruled by the gods that the mistletoe would never again be used to do harm.

Ancient Europeans considered the mistletoe a magical medicine. They carried it about with them for health and luck, and believed it a cure for ulcers and epilepsy as well as a charm promoting fertility.

The present day custom of giving a kiss of love or peace beneath the mistletoe, although a relatively modern one, is derived from the fact that down through the centuries the mistletoe has been recognized throughout the whole world as a symbol of lasting peace.

The origin of many of our Christmas customs can be traced back to prehistoric times, with some pagan customs being modified to fit into the Christian observances. But, as official Christian holidays, Christmas and New Year's had a long struggle to become firmly established.

Many people in the G Valley will remember his active minister-evangelist 1920's.

Dr. Elliott, 54, was born in Campbell County, Virginia. He attended the Virginia Theological Seminary and obtained his medical degree from Howard University in Washington. He served one term in the House of Dele-

Alther, owner of Alther Farm Equipment Service, and two of his employees, Donald Stottemyer, of Route 4, and Dave McCarty, of Inwood, were in that section cutting Christmas trees when the animal was sighted.

The animal was described as being of a yellowish color and about the size of a large dog. It also had a tail about four feet long and cat-like features, they said.

The animal was first seen at a distance of about 200-300 yards, when it lay down. The men first thought it was a dog, but later McCarty, armed with a club, went to have a closer look and got within about 35 yards when the animal ran, taking leaps up to 20 feet. The other men, who likewise were approaching, got a

Signs

Naturally, I now go easy on the matter of weather signs. I will say the ground hog did see his shadow in the Greenbrier Valley, under the clear skies below Droop Mountain. From now on I will treat the subject of weather in a most general way.

First let me say this ground hog day business is not by any means an American institution. It came to America from England and to England from France. The probability is that the legend as now current is the survival of some pagan day which has sheltered itself and preserved its vitality under protection of a church saint.

In England, the weather day is known as St. Swithin's day, (July 15), and in France as St. Medard, (June 8). The tradition of the two is practically identical as to influence on the

is known as St. Swithin's day, (July 15), and in France as St. Medard, (June 8). The tradition of the two is practically identical as to influence on the weather.

St. Swithin lived in England in the ninth century. He lived back in the days of good King Alfred. He was bishop of Winchester. There is record of his signature, "Swithunus presbyter regis Egberti." He died July 2, 862, and gave orders not to be buried within the church but outside in "a vile and unworthy place."

Over a century later, with reform of the then degenerate church at Winchester, Swithin's body was taken from its almost forgotten grave outside the old monastery, and transplanted to the restored church. Numerous miracles preceded and followed the moving. A reporter of those days makes record like his modern counterpart to the effect: "We have seen the precincts so thronged with crowds of ailing folks that a traveler could scarcely

days makes record like his modern counterpart to the effect: "We have seen the precincts so thronged with crowds of ailing folks that a traveler could scarcely make his way in; and yet after some days, so numerous were the cures that within the church itself there were scarcely five sick people to be seen."

Another eye witness reported that two hundred cures were claimed in the short space of ten days.

We moderns have nothing on those old reporters of a thousand years ago.

Well, anyway, rain fell on the day the body of Swithin was moved from its vile and unworthy place, and rain continued to fall for forty days thereafter. So, here is the myth in doggerel lines, well on toward a thousand years old—

St. Swithin's day if thou dost rain
For forty days it will remain;
St. Swithin's day if thou be fair
For forty days 'twill rain na mair.

Frank E. Johnson Retires

After long and efficient service with the International Shoe Company, as head book keeper at the Marlinton Tannery. Frank E. Johnson took retired position as of December 31. The occasion was marked by a dinner on last Wednesday night at the Pocahontas Restaurant given by foreman at Marlinton Tannery. Mr Johnson received leather brief case as a token of friendship and and remembrance. Mayor Moses presented a key to the city, and proclaimed Thursday, December 30, as "Frank E. Johnson Day."

Carmen Sharp succeeds Mr. Johnson as head book keeper at the Marlinton Tannery.

For nearly fifteen years Mr. Johnson has been a citizen of Marlinton, and he will continue to live here. He will engage in the insurance business. He has taken his rightful place of leadership in community and church affairs. He is a veteran of World War I.

Lord's Acre Day

The annual Lord's Acre Day program will be held at the Oak Grove Presbyterian Church in Hillsboro, on Saturday, October 22. The program will begin with a covered dish supper for the congregation and the friends of the church at 6:00 P. M. Following the supper a worship service will be held in the church sanctuary with the Rev. John K. Fleming, of the Centerville Presbyterian Church, at Greenville, as the guest speaker. Mr. Fleming is a former pastor of the Oak Grove Church and leader in the beginning of the Lord's Acre Plan there. Activities for the day will close with the sale of farm products, household goods and handwork done by members of the congregation. The people of Oak Grove extend a cordial invitation to all their friends and neighbors to join with them in this annual occasion.

School Lunches

The story of Billy Box was presented to the pupils of Marlinton Graded School on Monday, by Miss Anita Floyd, of Charleston. She is with Southern Dairy Council, and works with school lunch and health educational programs. She will visit other schools in our County.

"Billy Box" cleverly and clearly shows benefits of eating the seven basic foods and drinking four glasses of milk daily. The story delights children, and the poem helps them to remember the basic seven and to drink milk.

Our schools will take part in the Federal Milk Program. In this program, milk will be given to the children some time during the school day.

28,116 meals are served each month in our County school hot lunch program.

THE DUNN FAMILY

The Dunn family had a reunion at Watoga State Park September 18th. A good time was enjoyed by all. There was lots of talk—of the past, of the present, and of the Bible.

Jack Griffin was elected president; James Dunn, secretary; Denzil Totten, treasurer.

Mr and Mrs Willie Waymire came all the way from Spokane, Washington. Their first visit home in close to 30 years.

Around 50 were missing. Among those present were—Dennis F. Dunn, James L. Dunn and daughters Margie and Ruth Lynn; Mr and Mrs Forrest Griffin and sons, Jack and Johnny, daughter Mary Lee; Mr and Mrs Dan Dunn; Mr and Mrs Willie Waymire; Mr and Mrs Ralph Arbogast, daughter, Deloris, and son Sammy; Mrs Elvern Totten and son, Larry Lee; Mr and Mrs Denzil Totten and son, Jimmy.

School Speaker

Maximilian "Max") Volkert, tannery operator of Linz, Austria, who is studying industrial productivity in the United States under the auspices of the American Foreign Aid Organization, delivered addresses at assembly periods at the three Pocahontas County high schools last week.

He appeared at Green Bank High School on Wednesday and at Marlinton and Hillsboro high schools on Thursday. Volkert was accompanied to the three schools and introduced by Mack H. Brooks, county superintendent of schools.

In his addresses, Volkert traced the history of Austria from 200 B. C. to the present, describing the Austrian educational system, and industrial and agricultural activities and closed with a resume of the role the Austrian capital of Vienna has played in the music world.

Volkert is at present a temporary employee of the International Shoe Company at Marlinton. He has appeared as a speaker at a number of meetings of Pocahontas County civic and social organizations. He is a graduate of the University of Vienna where he was awarded a B.S. degree in chemical engineering.

FIELD NOTES

Here we are getting fixed in the use of the expression "Explosive Copperheads." The reference is the football squad of the Marlinton High School. However, it was a rattlesnake and not a copperhead that Electrician Johnny Keen saw and killed on Wednesday afternoon at the High School Office building. It was nothing else but a chunk of a fine, bright yellow rattler which came skittering out on the concrete floor of the first floor rooms. Sure that was what he and other duly sober citizens did behold. The snake was a bit fretful and ready to strike. A little better than a cloth yard in length, with a string of nine rattlers, this was a female, about ready to hatch out eight eggs.

The comment is due that while most yellow rattlers are females, a few yellow ones are males, and a few black rattlers are females.

Rattlesnakes do not lay eggs. The eggs are incubated in body of the mother.

The book says that along in August and September rattlers bear from eight to ten young.

This town of Marlinton is in the line of travel of rattlesnakes. They go from mountain to mountain, in search of water and prey; in search of mates and change of scene. This time of year, they are looking for a place to den up for the winter.

Still be careful in the matter

Dear Editor—

We enjoy reading the Pochontas County news very much though about one week late.

I came out to see if the climate would help my sinus trouble. This is a desert area, you very seldom ever see a cloud. It is always dry, warm, sunny. They have thousands of acres of irrigated land, with prosperous looking crops. There are plenty of acres where you only see cactus growing.

Now, in comes a neighbor that on digging his potatoes, he found that moles had done great damage—eating up and eating on the tubers. He had proof—half eaten potatoes with teeth marks showing plainly. Grub worms had eaten some, too.

Of cours, I pulled the book on him. There in black and white it says that moles is an insect eating mammal; it must have its weight and more in meat each to keep from starving to death; that under no conditions will it eat vegetables or grain.

However, I did have to admit that moles were in a way accessories before the fact in the crime of raiding the potato hill. On pursuit of grub and worms, moles had made roads into potato hills. These made easy ways for field mice to get at and eat the potatoes.

Let it be said here that mice are prey of the mole as well as worms and insects. If two moles be confined without food, the weak-

The reference book says the name mole is contracted form of mould-warp that is, mould caster.

The book continues—"Moles are killed on sight by most people because they disfigure lawns and are believed to eat potatoes and other vegetables. The truth is there are few more valuable animals from the standpoint of the agriculturist. They kill hundreds of thousands of cut worms, wire worms, grub worms and harmful insects every year, and they do not eat potatoes. In France a fine is imposed on any one caught killing a mole."

Ryder -:- Pyles

The Church of God, on Cummings Creek, was the scene of a quiet wedding, on Sunday evening, October 23, 1955, at 8:30 o'clock, when Mrs. Mary Ann Virginia Pyles, of Huntersville, became the bride of George Ryder, also of Huntersville.

The candlelight service was read in the presence of a large number of friends and relatives, by the Rev. Carl Williams, of Mt. Nebo, pastor of the church, before the altar arranged with greens and autumn foliage, with vases of chrysanthemums and lighted candles.

The candles were lit by Mrs. Dewey Burr, daughter of the bride.

For her wedding the bride wore a street dress of light blue faille, with matching accessories.

Miss Peachie Underwood, the daughter of Mrs. Howard Underwood, of Huntersville, became the bride of Corporal K. D. Akers, son of Mr. and Mrs. William Akers, of Lorain, Ohio, on Tuesday, October 11, 1955.

The wedding took place in the new Depot Chapel, at Parris Island, South Carolina, with Chaplain George Boyd, reading the double ring ceremony.

Best man for the groom was Staff Sergeant C. G. Pye, also of Parris Island.

Also attending the ceremony was the bride's sister, Mrs. Betty Scott, of Marlinton.

The couple spent a short honeymoon in Beaufort, South Carolina.

Mrs. Akers will join her husband sometime in December.

FIELD NOTES

Stanley Wooddell, the Marlinton policeman, reports the unusual. It was fight to the death between a fox and a coon. He was hunting over on Big Spring early on a recent morning. He heard a most unearthly racket, like dogs fighting dogs, or cats fighting cats, or cats, fighting dogs—any one or all. Mr. Wooddell traced down the racket, and there was a coon and a fox going after each other in deadly combat. It was a pretty even match, with odds in favor of the fox. They paid no mind to the man. A well placed shot put both animals out of their misery. The fox was lean and poor and mangy—apparently suffering from rabies. This dread disease has been epidemic here among the varments for more than a year.

Deaths

J. L. McNeel

John Lanty McNeel, aged 77 years, died at his home at Mill Point, on Saturday morning, October 22, 1955. Death was attributed to cerebral hemorrhage. He had been in failing health for several years.

On Monday afternoon, the funeral was held from Oak Grove Church by his pastor, Rev Collier Harvey, Jr. His body was laid to rest in the McNeel Cemetery.

Mr McNeel is survived by his three sons—Dr John, of St. Louis, Missouri, Joe W., at home, and Richard, of Hillsboro. His wife, Mrs Nora Wilson McNeel, preceded her husband sixteen years since.

The deceased was a son of the late Squire Isaac and Mrs Miriam Nancy Beard McNeel. His sister is Mrs Mary Gold McNeel Browning, of Beckley.

Mr McNeel was a prominent citizen and a man of large affairs. He was a farmer and stockman. At the time of his death, he was President of the Bank of Marlinton. He had served the public as Deputy Sheriff, Member of the County Court and in the Department of Public Assistance. He was a member of the Presbyterian

Camden.-Eskridge

On Friday evening, September 30, 1955, Miss Mary Ayres Eskridge became the bride of C. E. Camden, Jr. The wedding was in Fayetteville Methodist Church; the officiating minister was Rev. C. R. Bright.

The bride is a daughter of Mr. and Mrs. Joe R. Eskridge, of Fayetteville, and the grand daughter of Mrs. W. A. Eskridge, of Marlinton. Incidentally, she was married on the 59th wedding anniversary of her grandmother, Mrs. Eskridge. She is a graduate of Fayetteville High School and Marshall College. She has served a year's internship at the Medical College of Virginia in Richmond. She is now employed at the college.

The groom is the son of Mr. and Mrs. C. E. Camden, of Fayetteville High School and attended Marshall College for three years. He is employed with the Virginia Insurance Company at Richmond.

The bride was attended by her sister, Miss Libby Anne Eskridge; her flower girl was her niece, Kay Noel Jacobs. Two of her brothers, Williams Joseph Eskridge and Jack Riley Eskridge, were ushers. She was given in marriage by her father.

Among the out of town guests were Mrs. W. A. Eskridge and Mr. and Mrs. W. A. Eskridge.

Fort Campbell, Kentucky—Private First Class Quentin Underwood son of Mr. and Mrs. Kennie Underwood, of Huntersville, West Virginia, has recently taken a 15 days leave to visit his parents, and to help his father complete their new home.

Private First Class Underwood attended Marlinton High School where he was studying in agriculture and also played football for the school.

Private First Class Underwood completed the rugged Airborne School here at Fort Campbell, Kentucky, in July of 1955, and has (13) thirteen jumps from an aircraft in flight, and is presently assigned to Company "D" of the famed 503rd Airborne Infantry Regiment as a cook and has been doing an outstanding job.

Private First Class Quentin Underwood is proud to be assigned to the famous 503rd Airborne Infantry Regiment because of it's splendid combat record. The 503rd Airborne Infantry Regiment includes (3) three combat jumps on record, Markham Valley, Neomfoor Island and the most difficult and successful airborne operation of the war, "The Corregidor Drop." It was from his operation the 503rd Airborne Infantry Regiment derived it's name "The Rock of Corregidor."

Staff Sergeant Robert L. Carpenter, of the Marines, stationed at Arlington, Virginia, spent the weekend here with home folks and friends.

Woman Of The Year

Mrs. Harry A. Sharp, of Marlinton, has received the honor of being chosen as the outstanding woman of the year (1955-56) by the Pocahontas Business and Professional Women's Club.

When Mr. Sharp died last March, Mrs. Sharp walked in and took over her husband's business the Harry A. Sharp Confectionery and Newstand in Marlinton — and is operating it quite successfully.

Mrs. Sharp was the former Miss Gladys Graham, of Charleston; the daughter of the late Mr. and Mrs. J. W. Graham, of Alderson. She is a graduate of the Alderson High School and the Pennsylvania Business College of Lancaster, Pennsylvania. Before her marriage Mrs. Sharp was employed as a stenographer and bookkeeper for three business firms in Charleston.

After her marriage in July, 1928, Mrs. Sharp moved to Marlinton where her husband was engaged in business and began her career as a homemaker.

The Sharps are the parents of one daughter, Helen, who is now Mrs. William P. Fuller, of Tachikawa, Japan.

All through the years Mrs. Sharp enjoyed her home and family but helped her husband when he needed help in the store. She

made the sandwich baked the hams that were at the lunch counter in the stationery. Later, when regulations required her to do bookkeeping, Mrs. Sharp took over the job of keeping for her husband's business.

Mr. Sharp was in the hospital for two years prior to his death and while he was confined to the hospital or at his home, Mrs. Sharp had charge of the business. Thus she was able to keep the business after her husband's death.

When asked how she was doing a business woman Mrs. Sharp replied that she was doing her job and enjoyed it. She also said that the people of Pocahontas had been very kind and helpful in assisting her in taking over the business after her husband's death.

Mrs. Sharp likes reading but her hobby is needlepoint and raising African violets. She is a member of the Presbyterian Church and sings in the choir.

Officers of the local W. Club announced that Mrs. Sharp was chosen as "woman of the year" because of her personality, character, and business ability.

Marlinton. After her marriage in July, 1954, Mrs. Sharp moved to Marlinton. Her husband was engaged in the lumber business and began her career as a bookkeeper.

Mrs. Sharp is the mother of Helen, who is now a student at the University of Maryland, and P. Fuller, of Tachibana.

For the past few years Mrs. Sharp has been at her home and farm near Marlinton when she is in the store. She

made the sandwich fillings and baked the hams that were sold at the lunch counter in the confectionery. Later, when government regulations required more accurate bookkeeping, Mrs. Sharp took over the job of keeping the books for her husband's business.

Mr. Sharp was in failing health for two years prior to his death and while he was confined in hospitals or at his home, Mrs. Sharp had charge of the business, and thus she was able to take over after her husband's death and keep things running smoothly.

When asked how she liked being a business woman, Mrs. Sharp replied that she was happy with her job and enjoyed working with the public. She also added that the people of Pocahontas had been very kind and helpful in assisting her in taking over the business after her husband's death.

Mrs. Sharp likes music and reading but her hobbies are making needlepoint and embroidery and raising African violets. She is a member of the Marlinton Presbyterian Church and sings in the choir.

Brent Shields

Brent Shields, aged 48 years, of Beard, was killed on Price Hill, Marlinton, Friday evening, October 7, 1955. His pickup truck went out of control on a curve, swerved across the road, rammed against the hill, threw the occupant out, and then fell on top of him. He was pronounced dead when brought to Pocahontas Memorial Hospital. He had suffered a broken neck.

Funeral service was conducted by Rev. Collier Harvey, at Hillsboro, on Sunday afternoon, with burial in Oak Grove Cemetery.

Survivor's include his wife Mrs. Thelma Nottingham Shields and their three daughters, Alberta, Victoria and Louise, all of Beard.

The deceased was born February 12, 1907, a son of the late Mr. and Mrs. C. Miller Shields, of Hillsboro.

Deaths

Mrs. S. E. McNeel

Mrs. Mary Beard McNeel, aged 84 years, of Hillsboro, died early Saturday morning, August 27, 1955, after many weeks of illness. On Sunday afternoon, her body was laid to rest in the McNeel Cemetery. The funeral was held from Oak Grove Church by her pastor, Rev. Collier Harvey.

The deceased was the widow of the late Samuel E. McNeel, who preceded her a number of years since. Their children are J. Moffett McNeel and Mrs. Lida McNeel Bartholomew.

Mrs. McNeel was a daughter of the late Jacob Moffett and Nannie Crouch Beard, of Beard. The only remaining member of the family is her sister, Mrs. Grace Beard Irvine, of Hillsboro.

Thus is noted the passing of a fine lady who did well her part, as daughter, wife and mother; as friend and neighbor, citizen and christian

Galford -:- Shue

The Mount Zion Methodist Church, at Droop, was the scene for the wedding, on Saturday, August 20, 1955, of Miss Ella Jo Shue to William Robert Galford.

The bride is the daughter of Mr. and Mrs. Emery Shue, of Droop Mountain, and the groom is the son of Mr. and Mrs. Andrew Galford, of Woodrow.

The double ring rites were performed by the Rev. Frank Johnson. Traditional wedding music was played by Miss Janice LaRue.

The bride, given in marriage by her father, wore a fitted gown of white mousseline de soie, with a square neckline and long, tight sleeves, ending in a cathedral train. Her finger tip veil of tulle fell from a coronet of pearls and was trimmed in seed pearls. She carried a bouquet of white carnations.

Mrs. Edna Ray, sister of the bride, served as matron of honor. She was attired in a mint green satin gown and carried a cascade bouquet of mixed flowers.

just got back off leave. I was at
Nurenberg and I had a pretty
good time. The Jehovah Wit-
nesses had a gathering up there
for five days. I went to it every
day and I met people from all
over the world. I even met a
couple of people from good old
West Virginia and I saw some
people from Africa. They were
dressed like those Africans you
see in the movies. I met a wo-
man from Ohio and she wanted
your address and she said she
would write and tell you that she
saw me over here.

I talked to so many people from
the States that I even forgot I
was in the service a few times. I
sure hated to come back to camp.

I took a lot of pictures up there
and I saw the place where Hitler

zard? That is still a mystery.

Well, in the month of May this year, several people on Droop Mountain saw a belled buzzard and distinctly heard the tinkle of the bell at every move of the bird.

Some weeks later, road workers on Elk Mountain—a dozen or so miles from Droop—saw and heard a buzzard with a bell on its neck.

These points are better sixty miles—as the buzzard flies—from Feedstone Mountain over in old Rockingham.

Now, Will Ruckman, late Sheriff of Pocahontas County, comes out with the confession that some years back he caught a turkey buzzard in a steel trap on Gillilan Mountain. He buckled a turkey bell on the buzzard.

The doubtful connection between the buzzard belled by Mr Ruckman and those seen this year, is that the life expectancy of a turkey buzzard may not be quite so many years as have gone since Mr Ruckman belled his bird.

Football

This Friday evening at 8:00 p. m. Marlinton High School's explosive football team will play host to a big undefeated White Sulphur High School team. Last week White Sulphur defeated previously undefeated Alderson and Marlinton defeated Lewisburg.

This game has been chosen as the home coming game. At half time the home coming queen will be crowned and a dance will be held in the gymnasium following the game.

School officials are planning to take care of the largest crowd of season.

At the three night foot ball games, once the paid attendance was over 1400, and the other two games it was over 1000 each night.

Durbin Boy in Police Service

The Durbin community takes pride in announcing that Angus Galford, son of Frona Tallman Galford and the late James Galford has been assigned State Police Service. Mr. Galford on June 6, 1955, entered West Virginia Police Academy at Dunbar, and on August 26, received his diploma. He has been assigned with an attachment at Point Pleasant. Mr. Galford holds a high school certificate, entered the United States Armed Service December 8, 1952, and took his basic training with the Infantry at Fort Knox, Kentucky. He went over seas in May 1953, and while over seas he served with the 7th Infantry Division in the front line in Korea.

After the truce was signed he was transferred to the 45th Infantry Division with which he served until he received his discharge in September, 1954.

Mr. Galford is a promising young man and it is believed he will give a good account of himself with the Department of Public Safety.

Raymond Shrader Has Serious Hunting Accident

The toll of killed and injured continues to mount for the current hunting season. The latest victim reported is Raymond Shrader, 44, proprietor of Shrader's Variety Store in Marlinton.

Reports from the Pocahontas Memorial Hospital, where the victim was brought by the Marlinton Fire Co. Emergency Car, indicate that the victim suffered a shotgun wound in the left arm at close range. Although Shrader was able to tell his rescuers that the shooting was accidental, he was unable to give them the details. Because the stock of the gun was broken it was surmised that he had fallen, hitting the gun on a rock, causing the safety to release and the gun to fire. He was alone at the time of the accident.

Raymond and his brother, Glenn Shrader, had gone to the Shrader farm on Red Lick mountain to check on their sheep and decided to do a little hunting at the same time. About 9:00 a. m. Glenn heard a gunshot and soon after his brother's call for help. Going to his aid, Glenn succeeded in staunching the flow of blood and then left his brother to go for help. This action is said to have saved the injured man's life.

Getting to a telephone about 10:00 a. m., Glenn called the Firemen's Emergency Car which responded promptly. Manned by firemen Dale Curry, Kenneth Faulknier and Ed Stemple and Town Policeman Stanley Wood-dell the rescue squad drove to Onoto where they turned up a dirt road to Red Lick Mountain. Although Glenn had left his injured brother about a mile from the mountain road he had walked about half the distance when the

The fellows that man the Fire Company's Emergency Car can not be praised too highly. This group and this car have been called many times recently and they have always given a good account of themselves. Supported entirely by public donation and through the firemen's various fund-raising efforts, the car is fairly well equipped but additional equipment is needed to make it still more useful. The men, of course, are volunteers and the only pay they receive is the gratitude of the folks they help and the inner satisfaction that comes from a job well done.

Last Friday the Car was called to an auto-truck wreck on Price Hill from where they brought Mrs. Lena Peeso of Huntersville to the local hospital. 20 stitches were required to close a throat wound. She was a passenger in a pickup truck driven by Clarence Gaylor when it ran head-on into

a car driven by Mrs. Eula Mae Ritz of Charleston. On this run the Emergency Car was manned by Fire Chief Harry Hockenberry and Dale Curry and they were assisted by Clarence Mulheren and Charles "Googie" Richardson.

Another hunting accident occurred last Saturday when Mr. Keneth M. Hayes, 26, of Nitro was mistaken for a turkey and shot in the right eye, face and neck by Emory W. Gunter, 36, of Asbury. Gunter brought his victim to the hospital and then gave himself up to police. He was tried in Squire McNeill's court and fined \$20.00 and costs and had his hunting privileges taken away for a period of five years. The charge was negligent shooting. This accident happened on Middle Mountain, near Rimel.

The only all-purpose station wagon!

Only the 'Jeep' Station Wagon gives you 4-wheel drive. As a business vehicle or a family car, it's the world's most practical station wagon. It has extra stamina for normal highway travel in 2-wheel drive, and shifts easily into 4-wheel drive to go through sand, mud, snow and soft earth, on or off the road, in all kinds of weather. It carries six people or up to 110 cubic feet of bulky cargo. The interior is washable — easily cleaned for family use. The 'Jeep' Station Wagon is now available with power brakes.

“Rat Shot” is lightly loaded shot gun ammunition of extremely small shot. It is sold and used by farmers to kill rats in their granaries. The idea is to shoot rats at close range, and cause little damage to building and grain. Well, a good Marlinton hunter got a box of shot gun shells at a self service store. He went hunting next morning in Buckley Mountain. He shot at squirrels in ordinary range, and appeared not to cut a hair. A grouse got up, and gave no evidence of being hit. Finally a wild turkey passed by him in fair open shooting distance. At first shot the turkey merely shook his head, and then ran off at the second shot. Then our hunter discovered the awful mistake he had made in picking up the wrong ammunition box.

To Celebrate Golden Wedding

Mr. and Mrs. M. C. Kramer, of Frank, will observe their Fiftieth Wedding Anniversary on Sunday, September 4th, 1955, at their home. Open house will be held from 1:00 to 4:00 P. M. All friends and relatives are cordially invited to attend.

The Kramers (she was the former Edith Wimer, of New Hampden, Virginia,) were married on September 10, 1905, in New Hampden, at the home of the bride's parents, Ambe and Susan Wimer. Mr. Kramer, the son of Norman and Margaret Kramer, was also a resident of New Hampden at the time of the wedding. For the past 47 years they have resided in West Virginia.

The couple have one son and four daughters: Paul Kramer, of Apalachin, New York; Mrs. Kermit (Grace) Arbogast, of Cass; Mrs. Mervin (Martha) Sampson, of Lyndhurst, Virginia; Mrs. Paul (Marion) Simmons, of Durbin; and Mrs. Shirley (Kathleen) Nelson, of Warren, Ohio. They have seven grandchildren.

Mr. Kramer has been employed by the Pocahontas Tanning Company for thirty years and has been active in the insurance business for thirty-eight years; having the confidence of such companies as the: The Hartford Fire Insurance Company, The Home Insurance Company, The Empire State Insurance Company, The Home Indemnity Company and The Hartford Accident and Indemnity Company.

FIELD NOTES

Luster Shrader, on Browns Mountain, had one profitable hunt one morning recently. He and his dogs put up and killed no less than three gray foxes.

There is a big sheep killing bear running at large on Browns and Bushy and Beaver Lick Mountains. E. H. Williams, so far, is the heavy loser with about a dozen ewes and lambs coming up missing. This is an old experienced thief; he scatters his killing over a wide range, with the Williams grazing land about the middle of his range.

the heavy loser with about a dozen ewes and lambs coming up missing. This is an old experienced thief; he scatters his killing over a wide range, with the Williams grazing land about the middle of his range.

On last Wednesday a big old dog fox, of the grey variety, came sneaking into the home of Mr and Mrs Frederick Wooddell, on Indian Draft. A chicken came by the door and out popped the fox after it. Mr Wooddell came on the scene and broke a broom in three pieces, hitting that fox. It ran back in the house, where it was killed with a poker. This varment had no fear of people, but made no attempt to bite. It was unusually large, but in thin flesh.

varment had no fear of people,
but made no attempt to bite. It
was unusually large, but in thin
flesh.

Seems like wild cats now travel
in broad day instead of roaming
the woods of nights. The other
day Lloyd Woods was peacefully
hunting ginseng on Red Lick
Mountain. A big old catamount
jumped on a nearby log, looked
the man in the eyes, and growled
savagely. The family hunting
dog made for the varment, and
they went away from that place.
By reason of size, grey color and
long tufts on ear tips, the best
guess is canada lynx.

A week or so since, Mr and Mrs
J. A. Sydenstricker and Mrs Alice
Jackson were driving up the east
face of Back Creek Mountain,
not far from the Jackson River
crossing. There, in the road, was
a big mother wildcat and her two
well grown kittens. The kits
went out of the road on one side
and the mother on the other; all
climbed trees. The long legs and
short tails, light brown color and
cat-like appearance indicate these
varments to be a bay lynx family.

Deserved Honors

I see in the Baltimore Sun that Dr. Robert K. Burns, honorary professor of Zoology at Johns Hopkins University, is one of three Hopkins men elected to membership in the National Academy of Science. This Academy has a membership of some 500 scientists. It was established in 1863 by President Abraham Lincoln.

Dr. Burns is a native of Pocahontas County, a son of the late William Burns, of Hillsboro. The Sun said of him:—

“Dr. Burns has been honorary professor of zoology at Johns Hopkins since 1945. He is a staff member of the Carnegie Institution of Washington's department of embryology, which is located at Johns Hopkins School of Medicine.

"Dr. Burns has made a notable contributions to the fields of embryology. His studies have centered on sex differentiation in the newly developing individuals."

Dr. Burns sailed this week to Paris, France. He has been made visiting professor for a term at the Sorbonne, in the University of Paris. He will do research work and give some lectures.

We all congratulate Dr. Burns upon these high honors so well merited.

Football

That fine social function of the year—the banquet sponsored by the Rotary and Lions Clubs of Marlinton for the football squad of Marlinton High School, held last Friday night—was up to the usual high standard. The Eastern Star served and Attorney A. E. Coope presided.

The speaker was Ed Shockey, backfield Coach for West Virginia University. He pleased us all by presenting Don Van-Keenan a University football shirt; telling him to grow enough next year to fill it, and report to the University training camp. Don is All-State class B back this year. He is a member of the junior class.

The squad gave handsome remembrances to Coach Charles Brummage and his assistant, Arch Wooddell.

and is now home on leave to spend the Christmas holidays with his mother, Mrs. Ruth McKean.

Second Lieutenant Winters G. H. Alderman, son of Rev. and Mrs. T. G. Alderman, of Marlinton, West Virginia, received his commission as an officer in the United States Air Force on Friday, December 9, at Lackland Air Force Base, Texas.

One hundred and seventeen students of USAF Officer Candidate School were commissioned at the graduation exercises for Class 1955-D. The graduates and their guests were addressed by Major General Carl A. Brandt, commander of Technical Training Air Force at the impressive ceremonies.

Lieutenant Alderman is planning to visit his family during the Christmas Holidays. He will

then go to Sheppard Air Force Base, Texas where he will attend Transportation Officers School.

Prior to his selection for Officer Candidate School, Lieutenant Alderman served four years in the Air Force. He began the six months of strenuous military and academic training in June of this year. While at OCS he served as 1st Squadron Commander with the rank of Officer Candidate Captain.

Most of the members of OCS Class 1955-D intended to make a career in the Air Force. All of the new second lieutenants came from the ranks of the enlisted personnel and were selected for attendance at the school on a highly competitive basis. The majority of the graduates were assigned to technical school for further specialized training before assignment to Air Force Units throughout the world.

Deaths

Mrs. J. L. Kenney

Mrs. Carrie Mundy Kenney, aged 81 years, widow of the late J. L. Kenney, died at the Pocahontas Memorial Hospital, on Tuesday, December 20, 1955, after a several months illness.

On Thursday afternoon, at 2:00 o'clock, the funeral services will be held from the Marlinton Methodist Church by her pastor, the Reverend Charles A. Yoho. Her body will be laid to rest in the family plot in the Mountain View Cemetery. Her body will remain at the Smith Funeral Home until an hour before the service when it will be taken to the church.

For fifty-three years, Mrs. Kenney has been a resident of Marlinton. She was a daughter of the late David and Sarah Jane Phillips Mundy, of Gashen, Virginia. She became the wife of J. L. Kenney, who preceded her in death fourteen years ago.

Their surviving children are: Grey, of Charleston Randolph, of Huntington, and Beverly Kenney, of Marlinton; Mrs. Edgerton (Mary) Shaw, of St. Petersburg, Florida; Mrs. Paul (Virginia) Sexton, of Belle; and Mrs. Nelson (Emily) Bing, of Columbus, Ohio.

Mrs. Kenney is also survived by a sister, Miss Willie Mundy, who made her home with her.

The Beard Presbyterian Chapel was the setting at 4:30 P. M., on Saturday, June 18, 1955, for the wedding of Miss Betty Leith Beard and Clarence Neal Dorman, Jr., son of Mr. and Mrs. C. N. Dorman, Sr., of Beard. The bride is the daughter of Mrs. H. Harper Beard, and the late Matthew Lee Beard, Jr., of Hillsboro.

Rev. Collier S. Harvey, Jr., performed the double ring ceremony following a musical program presented by Mrs. Charles Callison, soloist, and Mrs. Robert L. Beard, cousins of the bride. After the service a small reception was held at the home of the bride for the immediate family.

The bride's gown was fashioned with a tight bodice of Alencon lace over satin, tulle skirt with draped points of lace at sides and back. The waist length veil was attached to a heart shaped crown outlined with seed pearls. She carried a bouquet of sweetheart roses, lilies of the valley and forget-me-nots.

Her only attendant, Miss Lynda Kaye Orr, of Lancaster, Ohio, wore a pale pink ballerina frock of taffeta and tulle and carried sweetheart roses. The bride was

Cameron Boyd Rider

Cameron Boyd Rider, aged 17 years, son of Mr. and Mrs. Dewey Rider, was instantly killed by an electric shock on Sunday afternoon, June 19, 1955. The accident occurred on the farm of Roy Shearer, on Elk Mountain. He and Richard Lee Warren, aged 8 years, were looking for ground hog holes, when Cameron decided to climb a pole of the Monongahela Power Company, and slide down a guy wire. He touched a live wire of the high power and fell to the ground. The Warren boy ran to the Shearer home for help. M. E. Defibaugh and others went to the aid of the Rider youth, but found that he was dead.

Cameron is survived by his parents and a number of sisters and brothers.

On Tuesday afternoon the funeral service was held from the Church of the Nazarene in Marlinton, by his pastor, Rev. A. U. Burnsides. His body was laid in Mountain View Cemetery.

BEAVER CREEK NEWS

Mr. and Mrs. Howard Ray, Jr., of Prospect, Pennsylvania, and Mr. and Mrs. Delbert Ray, Jr., of Zelienople, Pennsylvania, spent Memorial week end at their old home on Beaver Creek, and visited the old Slayton homestead, where they were reared. They attended services at the Beaver Creek Cemetery. They also visited their grandfather, Howard Ray at Riders Gap, and their grandmother, Mrs. Howard Ray, at Pocahontas Memorial Hospital.

Howard, Jr., has been a foreman in a big industrial in Elwood City, Pennsylvania, the past four years.

Delbert, Jr., is employed in a steel plant at Ambridge, Pennsylvania.

Others recent visitors back home were Mrs. Lydia Slayton, and Mr. and Mrs. Roland Slayton and children, of Franklin, Ohio. While here they visited the grave of Mr. Slayton, in the Buckeye Cemetery.

Killed a Bear

Last Tuesday night, a big bear came off the Blue Knob, in the Black Forest, down Hills Creek way, for to kill a sheep for John Wimer on Vina Mountain. It was a little late in the day before the act of vandalism was discovered. So, word to Oscar and Austin Sharp, the bear killers, did not get to them until after midnight on Wednesday. However, Oscar and a half dozen dogs were on the scene bright and early Thursday morning. In addition, Argile Arbogast had a couple of good hounds.

The bear had not come back to his kill, and the prospect of picking up his trail in the rain soaked forest floor was slim indeed. However there was bear sign a plenty on Blue Knob, and the dogs winded bear and begged to be turned loose. They took a back track, but Old Steamboat soon got things straightened out, and the bear was jumped. He circled the Knob; crossed the Richwood road at the picnic area at the foot of Kennison Mountain heading for Dogway. A few

back track, but Old Steamboat soon got things straightened out, and the bear was jumped. He circled the Knob; crossed the Richwood road at the picnic area at the foot of Kennison Mountain heading for Dogway. A few hundred yards up the mountain Old Steamboat had that bear climbing a tree. Will Ruckman was the first hunter to get to the scene, and with one properly placed bullet killed the bear.

This was a male bear, eight years old or more. He was lean, but estimated to weight around 300 pounds.

Old Steamboat is a veteran bear fighter. In his time of nine years he has been in at the death of better than one hundred head of bears. This is his third bear in the last two weeks.

Proper Recognition

Three employees of the Federal Prison Camp at Mill Point, were recognized for their outstanding work during the fiscal year ending June 30, 1955 when presented monetary Incentive Awards Wednesday, September 7, under a recently established plan for all officers and employees of the Department of Justice. Checks were presented by Superintendent W. F. Anderson to Senior Clerk Reginald Payne, Lieutenant Clarence Lewis and Senior Officer Elmer Nelson.

Mr. Payne's award was for \$100.00 in recognition of his contribution to the high level of performance from his office staff, to the morale of this group and Camp personnel in general through his congenial manner, unquestioned loyalty and devotion to duty, for most generous giving of time to the Service outside his regular work schedule during this year period, conservatively estimated at 250 hours.

Lieutenant Lewis' award for \$85.00 was in recognition of his ready response without any form of compensation at any time or

at 250 hours.

Lieutenant Lewis' award for \$85.00 was in recognition of his ready response without any form of compensation at any time extra help was needed about the Camp, his contribution to the training and orientation of new personnel and for his own time given to official travel to other federal institutions in this area in the interchange of supplies and transfer of prisoners, the latter representing a saving to the Government of over \$600.00

Mr. Nelson, as Camp Fire Safety and Sanitation officer was awarded \$50.00 in recognition of his outstanding work in the discharge of these responsibilities. With but one day per week allocated to these specific duties and the remainder of his work week given to regular officer duties, much of his personnel contacts and interviews as fire, safety and sanitation officer, and the reports associated with this work were accomplished on his own time. Nelson has been the recipient of two other official commendations during the same period.

The three employees involved have completed 18, 25 and 11 years respectively in the Federal civil service with the Bureau of Prisons.

We still have an expert gunsmith in the person of D. A. Friel, of Clover Lick. As nice a mountain rifle as I have ever seen was recently assembled by Mr. Friel. To save time and expense, he did make use of a twenty-two rifle barrel. This gun can be seen at the Central Service Station in Marlinton. All this writing leads up to say that Mr. Friel would like to know about any old mountain rifle barrels not now in use. He would like to have them, to make them back into guns.

S. C. Simmons, of Arbovale, has a wonder in a turkey hen. This season she has had a busy time with no less than three hatching of little turkeys. In April she hatched out a flock and weaned a bunch of twelve; late in June she had another family of about the same size; then September first she came forth with another hatching. However, this last hatching was small as the nest had about been cleaned out by skunks.

We still have an expert gunsmith in the person of D. A. Friel, of Clover Lick. As nice a mountain rifle as I have ever seen was recently assembled by Mr. Friel. To save time and expense, he did

Lackland Air Force Base, Texas,—Hubert Workman, 17, son of Pat Workman, Hillsboro, West Virginia, is completing his Air Force basic military training course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women, headquarters of the Human Resource Research Center, and home of the USAF Officer Military School.

His basic military training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Charles Edward Johnson, son of Mr. and Mrs. French Johnson, has enlisted in the United States Army, and is taking his basic training at Fort Jackson, South Carolina.

Ashiya Air Force Base, Japan—Blond, dainty Allene Bussard, more than eight months pregnant, stepped off a Pan American trans Pacific plane at Haneda airport, Tokyo, into the arms of her paratrooper husband to be the first wife reunited with members of the 508th airborne regimental combat team flown from the United States to Japan on Operation Gyroscope. Sergeant First Class James A. Bussard, a veteran of 12 years of military service, had urged Allene to remain at home until the baby was born. She insisted on following her husband to Japan and with their 13 month old daughter, Sheryl, completed the 9000 mile trip only a day after Sergeant Bussard's arrival.

The United States army and the United States air force made some special concessions to reunite the family. Sergeant Bussard arrived at Ashiya air force base, some 400 miles southwest of Tokyo, Saturday, in the second of the 42 C-47s.

Allene over to her husband with sighs of relief. They had been much concerned over her on the long flight which followed the Operation Gyroscope route from the west coast to Honolulu and Wake Island to Tokyo.

The air force then took a hand in the reunion. Brig. General William Waldron, commander of the 315th air division, the famed Combat Cargo airlift of Korean War days, was about to leave Tokyo for Ashiya to observe progress of the Operation Gyroscope airlift. He took the Bussards aboard for the 400 miles flight to Ashiya.

On arrival at Ashiya Mrs. Bussard was taken to the flight nurses quarters of the 483rd troop carrier wing while her husband made arrangements for the last lap of the journey to Camp Chickamauga, at Buppu, picturesque spa on the northeast corner of the island of Kyushu. They were

Dear Mr. Price:

July 19, 1955.

Dear Mr. Price:

Just a line from a service guy. I live at Hillsboro, West Virginia, or at least I did; my folks have now moved to Maryland. I am Lawrence Kennison's boy; you probably know my Dad. I have been taking your paper since I have been stationed here. It sure helps to know the news back home.

The temperature here in Nevada now ranges from 130 to 140 so you can see it is much hotter here than it is back home.

If you would, I would like to have my buddy's and my address in the Times, so we could maybe get more mail, for it gets mighty blue and lonesome here in the desert. We are 8 miles from Las Vegas. We are planning on a leave at or around Christmas, and would like to know some new friends. We are engine mechanics; I'm a jet man; my buddy is a receipt man.

Reserved Advancement

We all here in Pocahontas County are delighted at the news that our good Governor Marland had advanced Attorney Arden J. Curry, Assistant State Attorney General, to the all important position of Executive Assistant to the Governor.

Arden is the son of Mr. and Mrs. O. B. Curry, of Marlinton. He has proved his ability and worth by several years as assistant in the office of Attorney General Fox. He succeeds Burl A. Sawyers, who was recently appointed State Road Commissioner.

The advancement of Mr. Curry means a step up for Attorney Charles McElwee, of Dunmore, who has been appointed an assistant in the Attorney General's Office.

The new Tax Commissioner is Attorney William R. Laird, of Fayetteville. He succeeds Milton J. Ferguson, of Wayne County, who retires to resume his large law practice.

The new Tax Commissioner is a nephew of Dr. William R. Laird, head of the Laird Memorial Hospital, at Montgomery. We all here in Pocahontas are proud to claim kin to the Lairds through the McNeel clan.

Good Dog Gone

(Leo Hirtl, special writer for the Cincinnati Post, had the following piece in his column of Friday, April 15, 1955, about Skip, the good old dog of Bedford Dilley, of Cincinnati, Ohio. Bedford Dilley is a son of the late Hevener Dilley, of Browns Creek.

"How do you write an obituary for a dog? About everything fine about a dog already has been said by the late Senator Vest. There should be something said about Skip, though. Skip was 14 years old and one of the few dogs to have an honorable discharge from the armed services. He was discharged from the Coast Guard's K-9 Corps on V-J day in 1945. Having done his bit, he retired to the bosom of the Dilley family to live out his comfortable old age. But age took its toll and the other day old soldier Skip, serial number 42-E, took his eternal leave.

Having been at one time or another lord and master of three willing dogs, I expect Skip's passing was considerable of a blow. There is no explaining the attachment which is formed between humans and their dogs.

Other pets are liked as well and probably have as many virtues, but somehow a dog seems to manage a closer tie. Perhaps it is because they sometimes can go to war with their masters, as did Skip."

Killed a Bear

Durbin—For many months an attraction of the Kisner Motel on Cheat Mountain was a captive bear. It grew big and lusty and became somewhat of a problem child. There is a conservation regulation about keeping wild animals in captivity by private citizens and business concerns. There is no room for more bears in the zoo at the State game Farm over on French Creek. So, early this spring, back to the woods old bear was sent with the blessings of all parties concerned except the farmers with sheep to range the good grass lands on the Back Alleghanies, fringing the black forests of Shavers Cheat.

Yes, you have guessed it. As soon as the flock of ewes with lambs were turned to range this spring, both ewes and lambs came up missing. The sign was that of a big bear, and not of dogs.

By the time a proper hunt could be organized the number of sheep killed by this bear reached 20 head or better. The bear was killed near Durbin. The hunter getting in the lucky shot was young Douglas Hill. His trophy proved to be a male bear, weighing 200 pounds or better. There was still a collar mark

Corporal Loren Dale Clutter, son of Mr. and Mrs. V. M. Clutter, of Lobelia, has returned home with an honorable discharge from the Army. Corporal Clutter entered the service June 23, 1953, received his basic training at Fort Campbell, Kentucky, and later was sent to Fort Jackson, South Carolina, where he received his discharge.

Private First Class Albert F. Kelley, is the son of Mrs. Sarah J. Kelley of Marlinton, West Virginia. He is a paratrooper with the famed 82nd Airborne Division at Fort Bragg, North Carolina. He wears his main parachute on his back, his reserve parachute and combat pack and his rifle in a canvas container. His fifth jump from a C-119 aircraft, marks the end of three weeks of intensive physical and technical training. This qualifies him as a paratrooper.

Private First Class Kelley is a cannoneer with the 98th Airborne Field Artillery Battalion, a unit of the famed 82nd Airborne Division, "America's Guard of Honor."

Civil Defense

A public meeting was recently held at the Court House for the purpose of perfecting a Civil Defense organization in Pocahontas County. The matter was presented by C. E. Wright of Charleston, who is Field Deputy Director. The County Director is C. L. Kinney, of Cass. Recommendations for heads of different branches were made to him; after consideration of the requirements of the administration of the all important work. Mr. Kinney will announce appointments later.

This is important project for our people. It is not only for protection and survival in case of enemy invasion of our country, but will be of good use in cases of disaster, such as floods, fires and high winds.

Our people are urged to give time and support in organizing their Communities for their defense.

SNAKE BIT

Doke Rudd, aged 45 years, of Buckeye, got himself bit by a rattlesnake one day last week. He was on the River Ridge almost a mile from home. He felt something strike his leg and a stinging pain. Then he saw the rattlesnake, and proceeded to kill it. He then applied first aid, which was to tie tightly the fast swelling leg. The slow journey back home can be described as painful. Several days in the hospital was his portion, but he made a good recovery.

Belled Buzzard

W. O. Ruckman, of Mill Point, Auctioneer, and late Sheriff, of Pocahontas County, was a reader whose interest was stirred by the story of the belled buzzard in last week's paper.

Forty-one years ago this summer as a young man on the farm, he interested himself in trying to trap one of the many buzzards feeding on the carcass of a colt. One day, he and his brother, Denny and a neighbor, Guy Slaven saw about buzzards get into the air all at once. They knew one of the big birds had gotten himself into trouble. Sure enough, they found a good big one, hissing his displeasure at being caught in a trap. One toe was severed.

They took the buzzard home

wings, he rang the bell. Gaining a great height in wide circles, the sailing bird disappeared over Gillian Mountain in the direction of the Black Forest. The faint tinkling of the bell was heard as the bird flapped out of sight.

Two years afterwards, the late Joe Brindle saw and plainly heard the belled buzzard at Mill Point.

Three weeks ago, Hull and Burley Pritt saw and plainly heard the belled buzzard on Droop Mountain.

As turkey buzzards, eagles and ravens have been known to live as long as a century of years, it is not beyond probability, this is the same buzzard belled by Mr. Ruckman forty-one years ago.

Mr. and Mrs. R. L. Davidson of Buena-Vista, Virginia, were the weekend guests of Mr. and Mrs. B. W. Eades. On their return they were accompanied by Mrs. Eades, who will visit with them this week.

Bears

In our West Virginia there is a law forbidding hunting on a Sunday. Then there breaks loose a sheep killing bear, to raid a flock on a Saturday night. The sign in the morning is fresh and hot; word is sent to bear dog owners and neighbors generally. The dogs are laid on the track and the bear is killed or run out of the country.

This has so happened twice in the past few weeks in Pocahontas County. Nothing is thought of it, other than as a work of necessity and mercy to rid the country side of an expensive nuisance.

Once in a long time exception is taken; complaint is made, summons issued and there is a jury trial in the court of some justice of the peace.

Such a trial was held before Squire A. W. McNeill in the Court House last Saturday. There was standing room only. The proper outcome was a verdict by the jury of not guilty.

School Levy Election

The Pocahontas County Board of Education has found there is a probable annual deficit of nearly fifty thousand dollars facing us, if the schools are to run the required nine months with levies laid at maximum rates provided by law.

The deficit is accounted for by decrease in State Aid, and in decrease in money from the National Forest.

The way out is for additional levy for the next three years. This can only be brought about by a three to two majority of the people voting.

The Board of Education has provided for such an election—on Tuesday, July 26.

The items of the deficit in case the schools run the full nine months are—

Instruction \$17,000; supplies \$1,000; operation of plants \$6,500; maintenance \$7,500; pupil transportation \$12,000; auxiliary agencies \$2,000.

Naturally, this editor hopes and believes our people will vote overwhelmingly in favor of the increase levy to insure the full term of nine months. Our people are in the habit of supporting schools. These few lines are to urge them to turn out in numbers. The public school is a bulwark against communism.

dogs are laid on the trail. If a bear is killed or run out of country.

This has so happened in the past few weeks in Pocahontas County. Nothing of it, other than as a necessity and mercy to the country side of a nuisance.

Once in a long time a trial is taken; complaint is made, summons issued and trial held in the court of the peace.

Such a trial was held at the Squire A. W. M. Court House last week. There was standing room only. The proper outcome was dictated by the jury of

Into the Black Mountain of the High Rocks the bear went. He was located in the Hateful Creek.

Farm News

Right at 45 tons of wool was the amount of Pocahontas County Cooperative wool pool graded and shipped last week. The down payment was nearly \$40,000, at the rate of 45 cents a pound. Then there will be an "incentive" payment of around 17 cents a pound. This can be expected in about a year.

To this shepherd, the wool this year looked particularly good and clean.

The average fleece seemed to run about five pounds in weight—making clipping from 20,000 head of sheep. The consignors numbered 392. This is by far the largest and best pool in the State.

Something like twenty or more tons of wool was marketed

Deaths

Bruno W. Morrison

Bruno William Morrison, aged 76 years, of Buckeye, died on Friday night, August 5, 1955, after a long illness.

On Monday afternoon the funeral service was held from the Lower Church at Buckeye, by Rev. T. G. Alderman. His body was laid in the family plot in Mt. View Cemetery.

The deceased was a son of the late William and Mary McKeever Morrison. He was the last of a large family to be called. He was a retired woodsman. He had never married.

Among the nieces and nephews who survive Mr. Morrison are—Mrs. Rush McNeill, Hillsboro; Mrs. W. C. Bowers, Waynesboro, Virginia; Mrs. Harry Stottlemire and Mrs. Dan Lantz, both of Lewisburg, Ohio; Ted Morrison, Pickens, South Carolina; Frank Morrison, Lobelia; Taylor Morrison, Buckeye.

County Supt. Resigns

At the meeting of the Board of Education on Monday night, the resignation of Eric S. Clutter as County Superintendent of Schools was considered and accepted. Again our schools are deprived of the services of an outstanding school man, and executive. Mr. Clutter has accepted the position of history teacher in the City high school of Los Vegas, Nevada.

The Board promptly and properly filled the position by advancing Mack Brooks, from the position of Assistant Superintendent. I heartily approve of this advancement.

The place of Assistant Superintendent of the Schools goes to Kermit Arbogast, principal of the Cass School. He is thoroughly qualified for the position. He is a professional teacher of experience. He earned a Masters Degree from a good University. Again I most heartily approve of Mr. Arbogast's appointment as Assistant County Superintendent of Schools.

Vandalism

On last Sunday night Henry A. Taylor, aged 17 years, of Dunmore, was coming out of Durbin, heading home. He met a car and as they passed a nitwit threw a big lighted fire cracker through the window of the truck young Taylor was driving. It landed on his lap. He moved over and as he picked up the little bomb, it exploded. His forefinger was blown off and his hand was otherwise badly mangled.

Proper comment on such a criminal insane act is easier to imagine than write.

His parents received a report of test results with comments on the high qualifications of this student for entering college and it was stated that: "The teachers and administrators of the Marlinton High School have done an excellent job in preparing him for a college career, as revealed by the above average scores on the battery of tests."

Our County Fair

Thursday, August 18, has been designated as 4-H Day at the Pocahontas County Fair.

The 4-H activities will get underway at 9:00 a. m. with an individual judging contest which will include classes in cattle, sheep, dairy heifers poultry, potatoes and canning. Prizes will be awarded the high scoring individuals in the boys and girls division.

At 1:00 p. m. the 4-H club parade of floats led by the high school band will leave the school parking lot for the fair grounds. There the parade will pass in review before the grandstand where they will be judged in the various classes.

Judging of the junior livestock entries will get underway at 2:00 p. m. Competition in all classes of the junior show is expected to be keen, according to Walter E. Jett, Superintendent of the department.

The evening program consists of a parade of the floats, band concert, 4-H style review and a local talent show.

An outstanding feature of the Pocahontas County Fair is the West Virginia State Sheep Show. It is sponsored by the Fair Association and the State Department of Agriculture, with the Sheep Breeders Association and the Extension Service Cooperating. Ivan Barlow is Superintendent.

Entries have been received from many parts of this State and adjoining States. The show will be divided into six sections with 12 classes. The sections are Hampshire, Dorset, Southdown, Cheviot and Suffolk.

Mr. Barlow states that he thinks it fitting that the Sheep Show should be an important department of the Pocahontas County Fair, since Pocahontas County is the largest sheep producing county in West Virginia, and the marketing of sheep and production of wool are valuable sources of revenue for the mountain state.

In regard to the Special Election which will be held on July 26 for voting on school funds for Pocahontas County, a lot of wild rumors have been floating around about various phases of expenditures for school purposes.

It would seem that substantial citizens who actually have the interest of the county at heart would want to know the TRUTH regarding school funds and school activities. The truth is as follows:

Pocahontas County will receive \$355,196.00 State Aid in 1955-56, which is \$6,785.00 less than the \$361,979.00 received in 1954-55. These figures can be checked in the office of the Board of Education, or the State Board of School Finance. The forestry

School Finance. The forestry fund this year will be \$38,000.00 less. This makes a total dec of \$44,785.00. The \$38 forestry fund is an accumulation of forestry moneys of 1951, 1952 and 1953. These funds for these years were frozen with the Sheriff of Pocahontas County by the Tax Commissioner, awaiting a decision of whether they belonged to the General County Fund—from State Law—or to schools and roads—Federal Law. In 1954 the Circuit Court of Pocahontas decided the Federal Law prevailed. The County Court of Pocahontas then turned over \$38,000.00 of these accumulated funds to the Board of Education.

These accumulated funds were necessary for maintaining a nine months term of school for 1954-55 and will never be available again. Hence the Board has

these accumulated funds to the Board of Education.

These accumulated funds were necessary for maintaining a nine months term of school for 1954-55 and will never be available again. Hence the Board has nearly \$45,000.00 less money this year than last. In order to check the above facts review the court records of Pocahontas.

If anyone wants to check the FACTS he will find that every county in West Virginia either employs one or more assistant superintendents and and or one or more supervisors (from 1954-55 WVA Educational Directory.) Also that the office expense of Pocahontas County in proportion to the total spent for schools is much less than in many counties.

any tax levied will be assumed
by the people and organizations
holding property in the county.
In fact Public Utilities which
hold approximately one fourth of
the property in the county will
pay approximately 40 per cent of
the added taxes.

It all adds up to whether we
want adequate education for the
children and pupils of Pocahontas
County and if so whether we are
willing to shoulder a very small
amount of the burden compared
to the state.

It would certainly seem that
anyone who has had, or has chil-

would be proud that this is HIS

First Things

In last week's Preston County Journal is a list of First Things. One of these is the following reference to Mrs. Margaret Smith Effland, daughter of Squire and Mrs. Harper M. Smith, of Marlinton:

"Another First is none other than Margaret Effland, who will be absent from a 4-H camp for the first time in 21 years. Margaret, former Home Demonstration Agent here, attended her first 12 as camper and leader in her native Pocahontas and the last eight as extension agent, one in Greenbrier, one in Mineral and the other six in Preston. Margaret is now busy at home with her young daughter and thus will miss the county 4-H camp."

Civil Defense

The local Ground Observer Corps will participate in a nationwide civil defense exercise scheduled for August 7, 1955. The test will determine the effectiveness of the Air Force's defense against surprise attack from the air.

Air Force planes will fly over this area. Volunteers of the local post will report their direction of flight, altitude, general description, and distance from the city, to the Air Force filter center in Roanoke. There the information is plotted on huge maps of the State and relayed direct to the Air Force.

In time of emergency, all unidentified aircraft would be checked by jet fighters for identification. Those not identified as friendly presumably would be shot down.

According to Leo Davis, supervisor of the local GOC Post, the Air Force depends more upon the volunteer aircraft spotters than it does on radar installations. In mountainous areas, human spotters have proven more effective than radar.

GOLDEN WEDDING

Mr. and Mrs. M. F. Jeffries, of Marlinton, celebrated their golden wedding anniversary at their home Tuesday, July 26, 1955, with members of their families, friends and neighbors calling during the day. At the noon hour an anniversary dinner was served to the honored guests and members of the family. The table was centered with a large anniversary cake.

Mr. and Mrs. Jeffries were married at Marlinton on July 26, 1905, with the Rev. G. W. Nickell officiating. The bride was the former Miss Virginia Sue Trainer, of Anthonys Creek.

They reared a family of 10 children, six sons and four daughters. Of these, five sons and three daughters are living. They also have 20 grand children and two great grand children. Jeffries is a retired farmer and lumberman.

and again back with a fish in her mouth. Mr. Adkison observed the kids were fed in turn.

Several young gentlemen saw the big Layton Bottom buck last Saturday. They were fishing in Knapps Creek. This deer hangs out on the Buckley Mountain side, a half-mile or so from the Court House. This year the big buck's spreading antlers carry four or five points to the beam.

I have always considered Pocahontas County well above the usual range of the mocking bird. Through the years a nesting pair is occasionally reported from some part of the Little Levels. Now comes a close observer of the things of nature with the report of seeing not less than a dozen mocking birds within a mile on Stamping Creek.

Among the patients listed in the West Virginia News this week in the Greenbrier Valley Hospital at Ronceverte is Sterling L. Wolford, of Durbin.

Balmy Burke's used to call him, and the name didn't rile him one bit. "I'm affed to be balmy," he'd say, "tossing his snap-purse action-ly. "I got my pension stock-vided once in awhile and a good hobby. Who knows-meday may even build a space-ship."

But when Oliver bought the old hand-drawn ice-house over at Miller's Pond folks real began tapping their heads. There's nothing quite so foolish as a levered ice-house, or useless.

Deaths

Uriah Edgar Wooddell

Uriah Edgar Wooddell aged 32 years, of Lucasville, Ohio, died in a hospital in Cleveland on Friday, morning, August 19, 1955. Ten days before he had suffered internal injuries in an automobile wreck. He had been working on his car, and started to enter it. The brakes gave way and the car started moving. His foot was caught. He was dragged and crushed against a tree.

On Sunday afternoon the funeral was held from the Marlinton Presbyterian Church by Rev. E. H. Flaniken. His body was laid in the family plot in Mountain View Cemetery.

He is survived by his wife, Mrs. Melda Carper Wooddell, of Lucasville; two sons, Danny and Tommy and a daughter, Lois Jean, all at home; three brothers, Melvin, of New Martinsville; Arch, of Marlinton; and Porter, in the Army at Fort Riley, Kansas; and six sisters, Miss Ada Wooddell, Mrs. Faith Diller, and Mrs. Lewis Dumire, all of Marlinton; Mrs. Woodrow Hamrick, of Charleston; Mrs. Clifford Barkley, of Cass; and Mrs. John Matheny, of Green Bank.

The deceased is a son of the late Edgar and Geneva Sharp Wooddell, of Marlinton. He was a graduate of Marlinton High School and a veteran of World War II. He served three years in the Navy as a boatswain's mate. He was in the Normandy invasion, and later was stationed in the Pacific. He was a member of the Veterans of Foreign Wars. At the time of his death he was employed as a locomotive worker.

In Memoriam

This letter was received by Mrs. Mary McNeel Hilleary upon the death of her husband, George Louia Hilleary:

Mary Dear—There is an old saying, "Turn always toward the sunshine and the shadows will fall behind you." Right now, I imagine, the clouds are hanging heavy on your horizon, and it seems the sun will never shine again. But God, in His love and wisdom, has promised us our burdens will not be more than we can carry if we lean on Him for strength and courage. He is the sunshine toward whom we must turn, and the warmth of His love will cause the shadows to fall behind us.

Some of the sunshine that will shine forever for you is the wonderful memories Louia left behind. He was truly the man who lived by the side of the road and was a friend to all. To each who came near him he gave of his gift of living, the gift of wit, of laughter, and, above all, the gift of human kindness and warm friendship that made him loved by old and young alike. Pocahontas County Industries

A large and representative congregation of business men of Pocahontas County met at the Court House last Thursday night.

The idea of the gathering was to put Pocahontas County in line with the organized and systematic State wide effort to attract industries to West Virginia. This movement is headed by Governor William C. Marland. The matter was presented to us by Attorney Arden J. Curry, late of the Attorney General's staff, and now executive assistant to the Governor.

Mr. Curry spoke in detail of the systematic effort now being made to attract new industries to West Virginia. He urged us to form an organization and do our part in the campaign to attract a new industry or industries to Pocahontas County from the long list, of prospects which have expressed interest in locating in West Virginia. This will require an investment of money.

Naturally, Mr. Curry's message met with hearty response. The matter was put on a business basis by naming a committee on ways and means.

The president, is Senator Fred Allen; vice president, Maynard Dilley; secretary-treasurer, Richard Currence. The other six members or directors are J. E. Buckley, Glenn Shrader, Judge S. H. Sharp, R. M. Bledsoe, Walter Shafer and Archie Walker.

40th Anniversary

Mrs. and Mrs. Joel Beard, of Hillsboro, were honored the evening of September 1, 1955, on the 40th anniversary with Open House at their home, given by their daughters, Mrs. John Stuling, of Charlottesville, Virginia, and Mrs. Hubert Callison, Beard. During the the event about 130 guests called. A tiered wedding cake was served by Mrs. Harper Beard and Mrs. Mayo Beard. Mrs. Sherman Beard and Mrs. Robert Beard served at the punch bowl. Mr. John Chappell was an aide in the dining room. The home was beautifully decorated with summer flowers given by Mrs. Louis Baber and arranged by Miss Lela Dorsey. Beautiful gifts were received. An evening of renewing friendship was enjoyed by all.

Senator Fred Allen is in Charleston this week, attending Federal Court.

Misses Fleeta and Mabel I. spent the week end in Virginia with friends.

Mr. and Mrs. Lee W. Kram and children, of Edray, were spending in Richwood, Saturday.

Miss Alice Waugh and Mrs. J. E. Hamrick spent the week end in Huntington with relatives.

Wedding

Phillips

The marriage of Ellen Hanifin and Phillips took place in the Catholic Church, on Saturday, September 3, 1955, at 10:30 A.

The bride is the daughter of Mr. and Mrs. P. Hanifin, of Ronceverte. The groom is the son of Mr. and Mrs. Lee Phillips, of Ronceverte. The ceremony was performed by Rev. Albin Martin. The church was decorated with gladioli and light greenery.

A program of songs was presented by the choir. The selections were "Perfect Love," "Don't Give Up the Ship," "The Lord's Prayer," and "Ave Maria." The wedding was a traditional wedding.

Given in marriage, the bride wore a white dress and the groom wore a white suit. The wedding was a traditional wedding.
